TRYC House Account Form

Here is the form to be used by TRYC visitors to set up a TRYC house account for use during the 2026 Nationals Championship. The completed form can be mailed or emailed ahead of time, or completed and processed at the registration table at the event.

Having a TRYC House Charge Account will make it easy and convenient for visiting guests to buy food and drink at the club, particularly at the Poolside Snack Bar for lunch and drinks Tuesday and Wednesday (both very busy days with a lot going on!), for Friday Night Galley (a variety of dinner options) and for any other purchases at TRYC.

Please! Use your best printing skills on the form so it is easy to read!

This account will only be usable during the regatta period (i.e. a couple of days before and turned off the day afterwards).

Payment on all regatta accounts will be processed on the day following the last day of the regatta.

If you have any questions, please contact.
