

Introduce a New Participant Incentive

To encourage greater participation in the Wetherill Race the Essex Yacht Club is offering an incentive to any skipper who introduces a new skipper and his/her boat to the race. The new skipper/boat must start the race for the introducing skipper to be eligible for the refund.

The incentive is a refund of part or all of the entry fee paid by the introducing skipper as follows:

- 1 new skipper/boat participant: 40% refund
- 2 new skipper/boat participants: 80% refund
- 3 or more new skipper/boat participants: 100% refund

After the race, introducing skippers should email the Race Chairman at wetherill@essexyc.com to request their refund. Please provide details of the skipper/boat(s) introduced and a name and mailing address to which the refund should be sent.
