Hello. I'm the owner and driver of Bazinga!, USA 84. I've had a business commitment that has arisen, and I can't sail on Friday or Saturday. I'm advised that I need to email you both to seek approval for me to substitute in a new driver, so please accept this email as that request. The new driver will be James Prendergast. He is a Cat 1 J70 owner as well.

Many thanks,

DG
