

Check it out – Fantastic Team Shirts and Gear for the J70 NAs from

Click here -> [J70 North American Team Kit](#)

to see pictures and place orders. *Same day shipping is possible.*

Shirts are UPF 50+ Pro-Tech Moisture Management, Water Repellent and Breathable. Choose from all-white or titanium crew neck sun shirt. For a few dollars more, we are also offering an all-white sun hoodie, a titanium sun hoodie, and a white 1/4 zip moisture-wicking long-sleeve tech shirt. All feature high-resolution dye-sublimated graphics from Phil Pape Photography.

Add your own logo your own logo to the right chest for just \$7 each (Five-piece minimum). Place your order, and then send an email to info@dryshirt.com with your logo or a description of it. We'll create it from scratch if necessary.

Contact Information

Call - (888) 379-7447 (ext 2) or the international line at 562-773-0552 with any questions or to place your order by phone if that is easiest.

Email the team sales manager: mark@dryshirt.com to place an email order and bypass the website.
